INSTRUCTIONS FOR FILLING UP THE EXISTING INVESTOR APPLICATION FORM**TERMS AND CONDITIONS**

1. Tata Mutual Fund offers a facility to individual investors for registering upto 5 bank accounts in a folio (10 for non-individual investors) for receiving redemption proceeds (hereinafter referred to as "the facility"). Investors have to specify any one bank as "Default". The bank account details mentioned in 'DEFAULT BANK ACCOUNT' section in this form will be considered as "Default". First Unit holder must be one of the bank account holders.
2. Proceeds of dividends, if any, will be processed into the last updated "Default" bank account only.
3. Proceeds of redemption, if any, will be processed into the last updated "Default" bank account in any of the following scenarios :
 - a. The Unitholder(s) does not specify details of any bank account in the redemption request for receiving redemption proceeds.
 - b. The Unitholder(s) specifies the bank account details of the "Default" bank account in the redemption request.
 - c. Maturity of investments in Fixed Maturity Plans (i.e.FMPs)/any other closed ended schemes.
 - d. The Unitholder(s) specifies the details of a bank account in the redemption request which is not registered in the folio.
4. When Unitholder(s) opt for registering multiple bank account(s) for the first time in their folio, the details of the bank account(s) registered in the folio for receipt of redemption / dividend proceeds will be substituted accordingly
5. If multiple bank accounts are already registered for a folio and the Unitholder(s) provides a new application form for addition / deletion / change of multiple bank account details, the bank accounts currently registered for receipt of redemption / dividend proceeds will be substituted with new details.
6. The facility will be activated in the folio within approximately 10 calendar days from the receipt of a duly completed and valid application form.
7. In case of folios that have availed this facility, any addition / deletion in the registered bank accounts will be completed within 10 calendar days from the receipt of the application form for the same. Such requests should be received on application form specifically available for this purpose. Requests received on a plain paper are liable to be rejected.
8. A letter confirming the registration / addition / deletion of multiple bank accounts will be dispatched within 2 weeks of the receipt of the application form. Unitholder(s) should preserve this letter for their reference since bank account details are masked (i.e. partially displayed) on the account statement.
9. If this form is submitted along with a redemption request, the new bank account may not be considered for payment of redemption amount.
10. Deletion of bank account specified as "Default" is not allowed. "Default" bank account can only be substituted.
11. Unitholder(s) should not provide the bank account(s) of any other person to receive the redemption / dividend proceeds in their folio. Unitholder(s) have to submit valid supporting documents for each bank account that they wish to register for receiving redemption / dividend proceeds in the folio. These documents should conclusively prove that the bank accounts provided pertain to the Sole / First Unitholder.
12. Unitholders who opt to receive units in their demat account, have to intimate any change in their bank account details to their depository participants.
13. The registered bank accounts will also be used to identify the pay-in proceeds. Hence, unit holder(s) are advised to register their various bank accounts in advance using this facility and ensure that payments for ongoing purchase transactions are from any of the registered bank accounts only, to avoid fraudulent transactions and potential rejections due to mismatch of pay- bank details with the accounts registered in the folio.
14. This facility is subject to the terms and conditions of the Statement of Additional Information and Scheme Information Documents of the schemes of Tata Mutual Fund, and such other conditions and procedures as may be prescribed by the AMC from time to time.
15. The investors can change the default bank account by submitting this form. In case multiple bank accounts are opted for registration as default bank account, the mutual fund retains the right to register any one of them as the default bank account at its discretion.
16. Notwithstanding the above, Tata Mutual Fund or Tata Asset Management Company Limited shall not be held liable for any loss arising to the Unitholder(s) due to the credit of the redemption / dividend proceeds into any of the bank accounts registered with us for the aforesaid folio.
